Learning Toolbox

for ePosters at GHGT-17

created by Kubify

What we will cover today

- How Learning Toolbox is being used for the GHGT-17 ePosters
- What is different about a Learning Toolbox ePoster stack
- Creating an ePoster stack
- Further support available
- Deadline date
- Anything else?

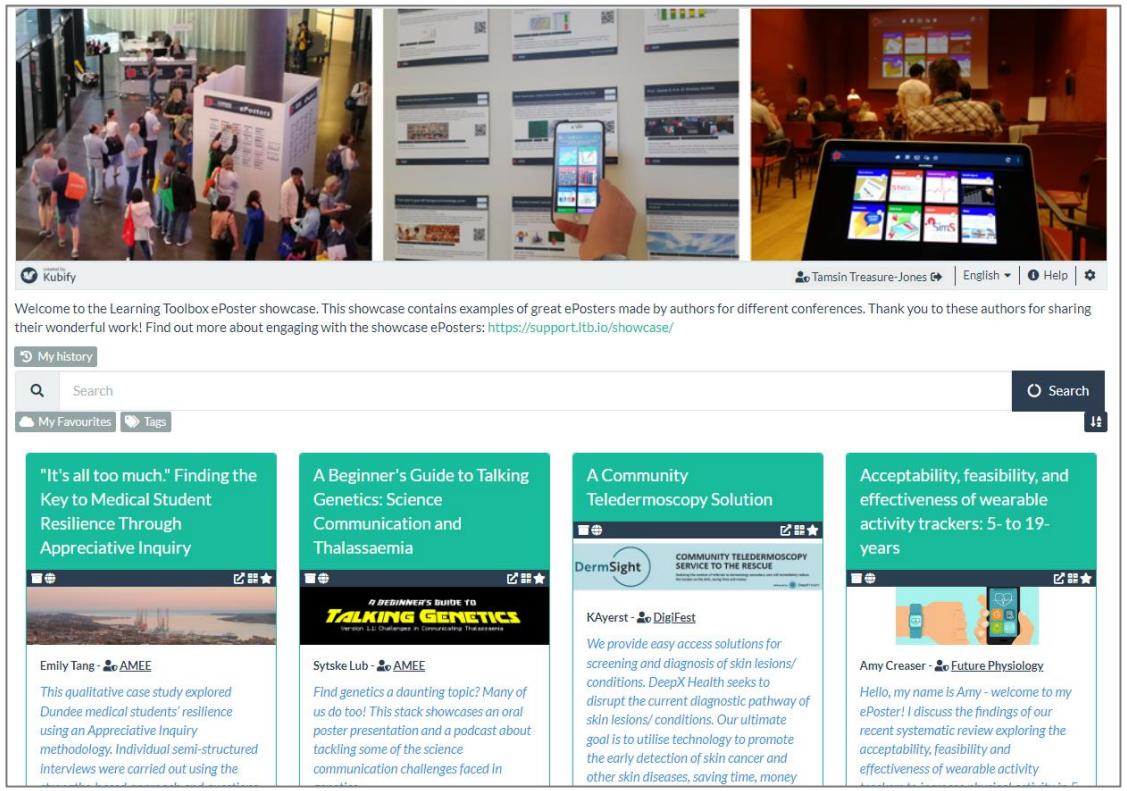
What is different about a Learning Toolbox ePoster?

You can add more than just one file or resource.

Learning Toolbox allows you to create a *collection* of materials (a *stack*) to present to and share your work.

What can you include?

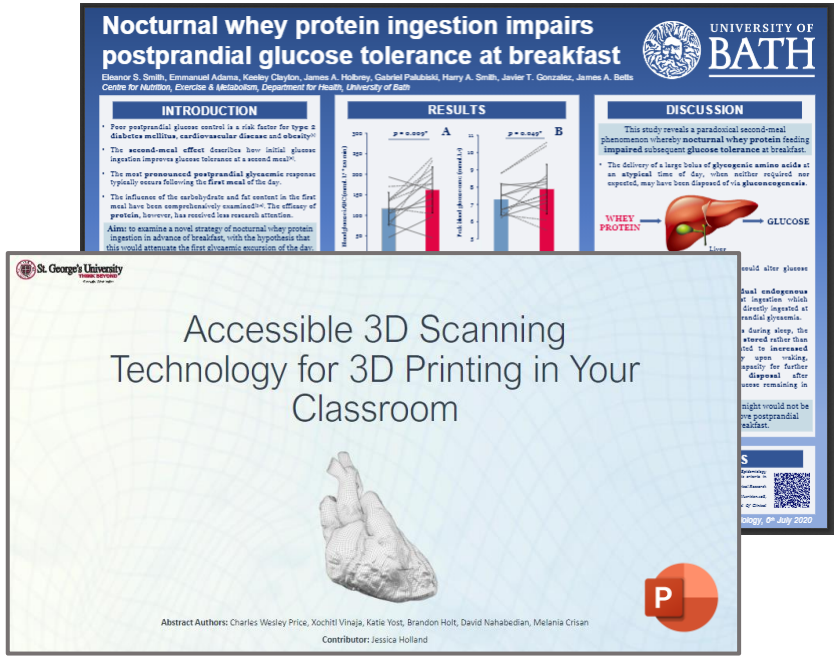
Let’s look at some existing ePosters



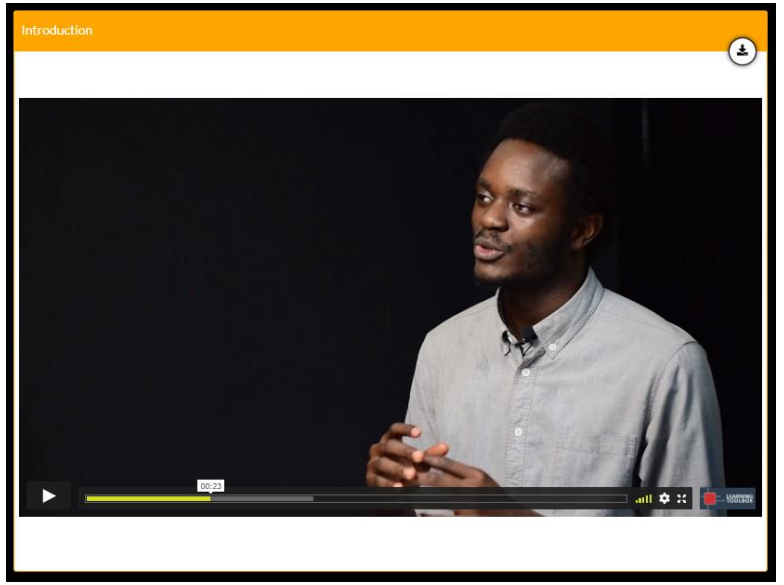
https://my.ltb.io/#/showcase

You could choose to include content to:

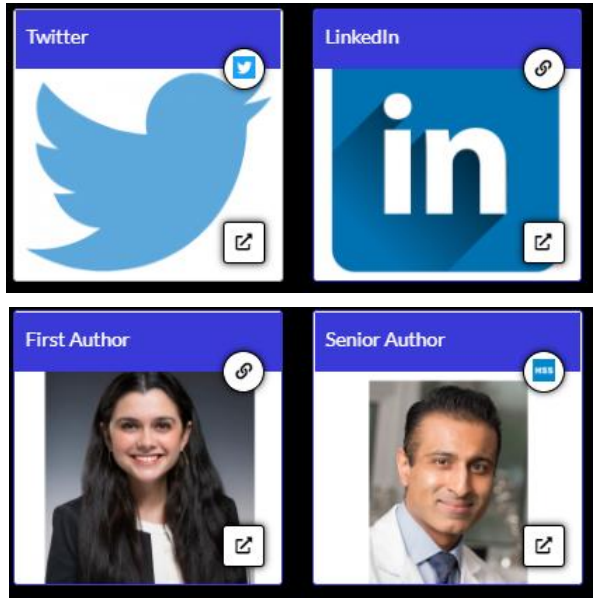
Present your work and yourself



Presentation



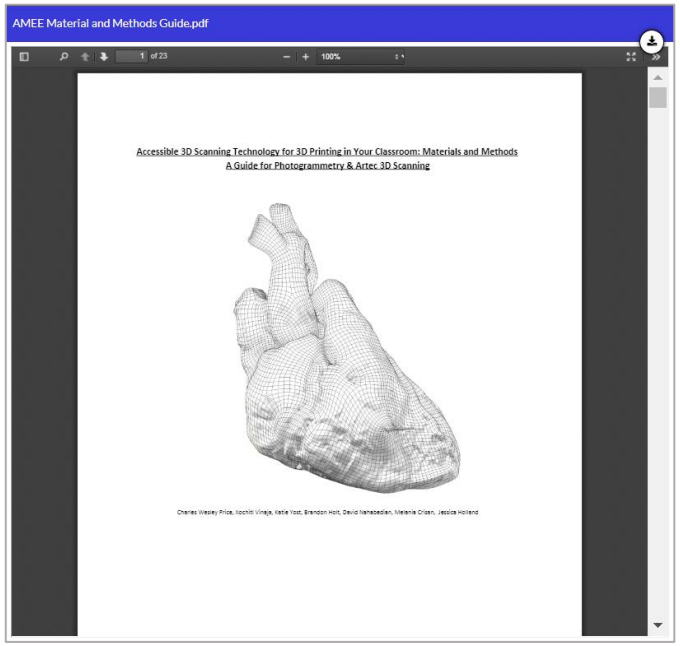
Video



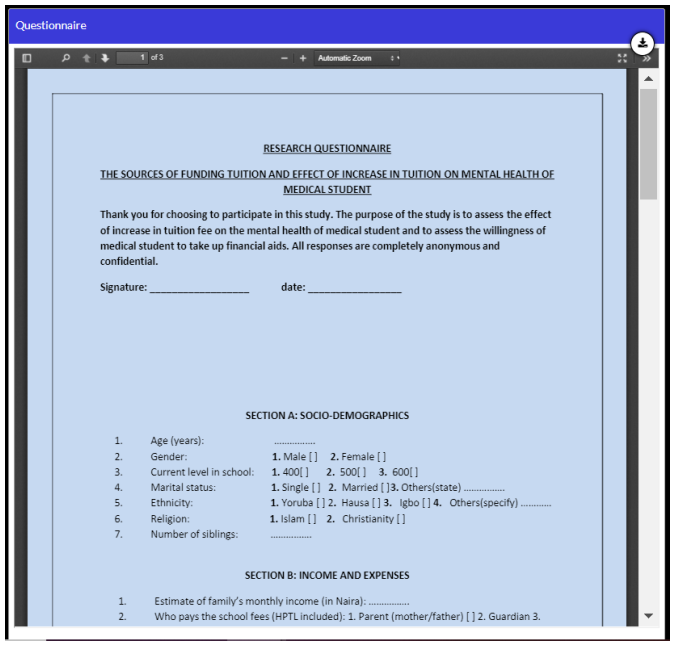
Profile

You could choose to include content to:

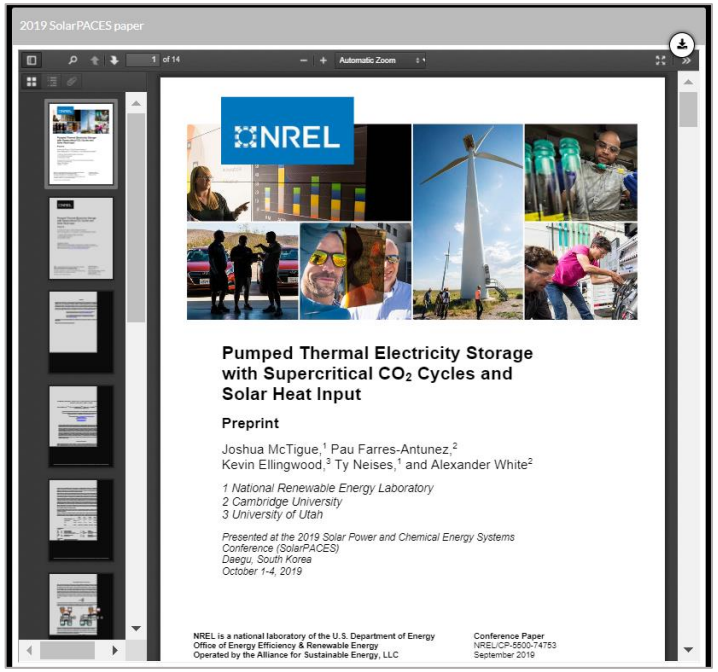
Provide delegates with background detail…



‘How to’ guides



Surveys & guidelines used in the study



Related papers

How do people view your ePoster/stack?

Viewable across platforms/devices – in web browser or app

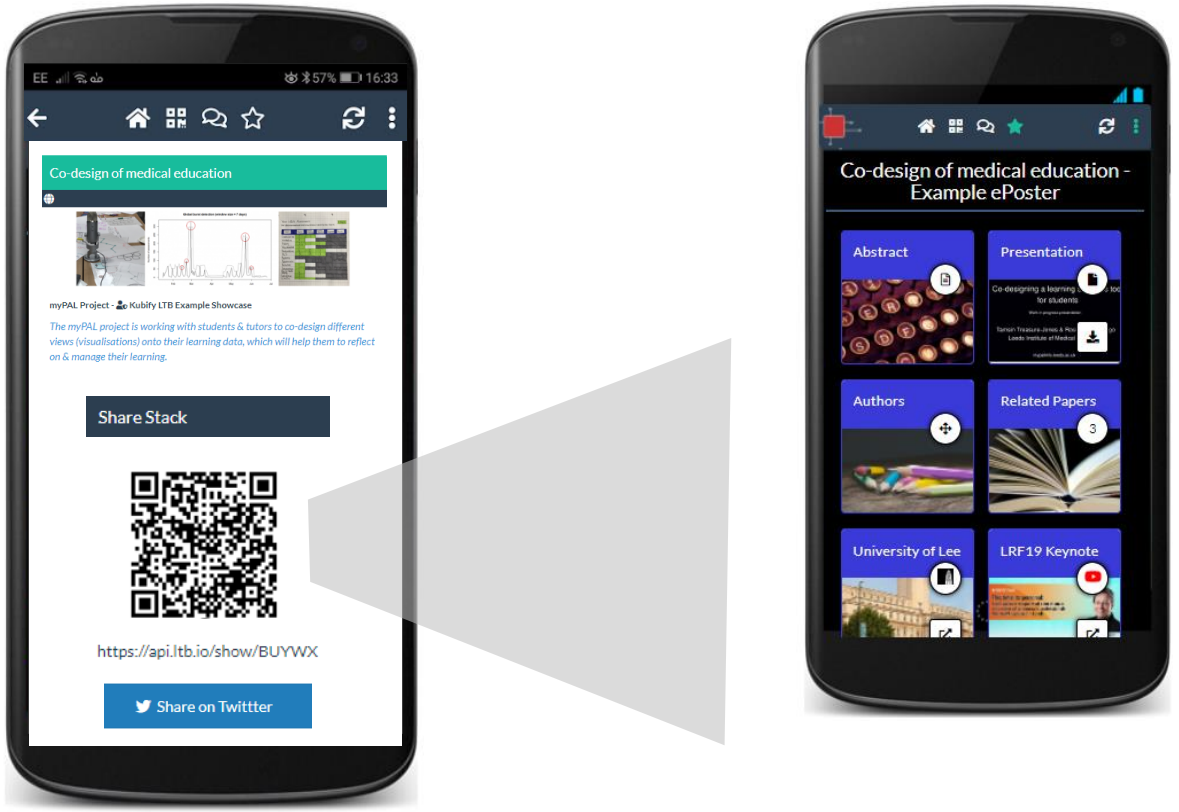
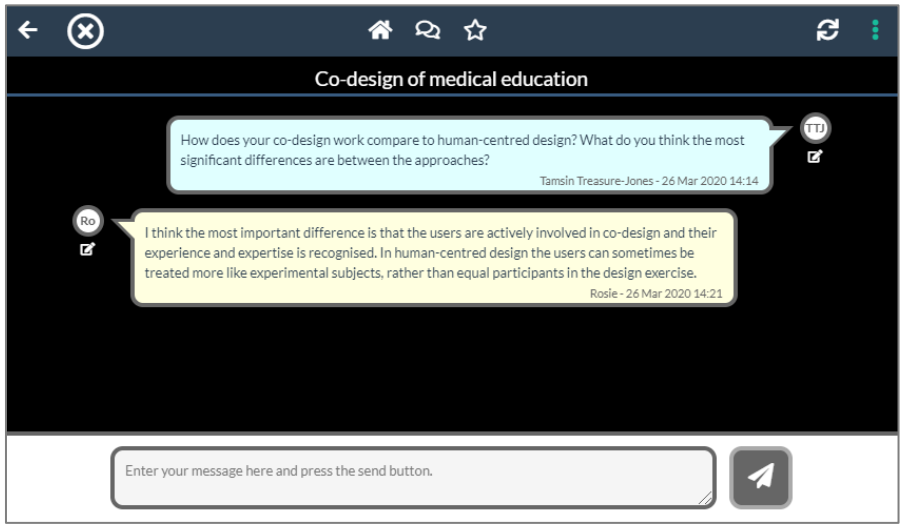
4. **Direct sharing**



Connecting with your viewers – Chat

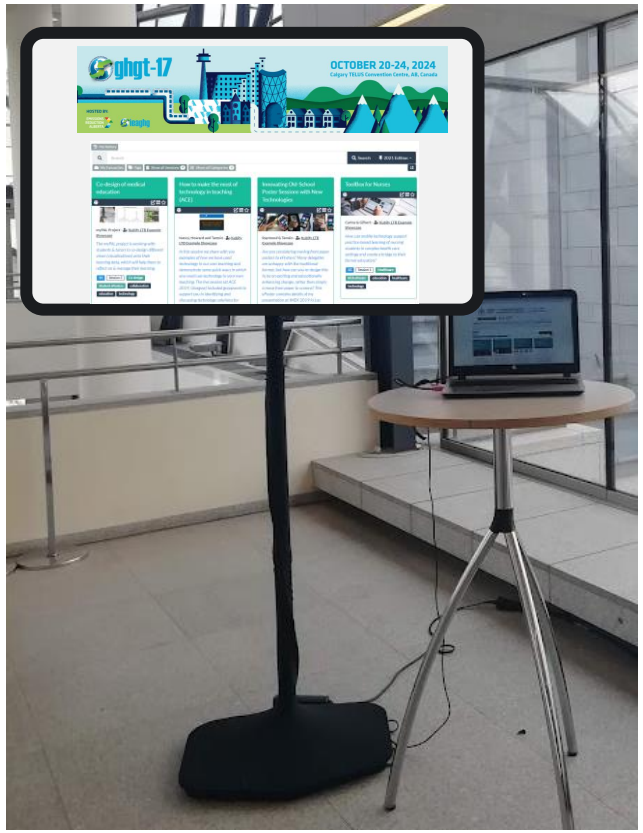


Your ePoster has its own chat channel.

Viewers of your ePoster (and you) will be able to view and engage with this text chat.

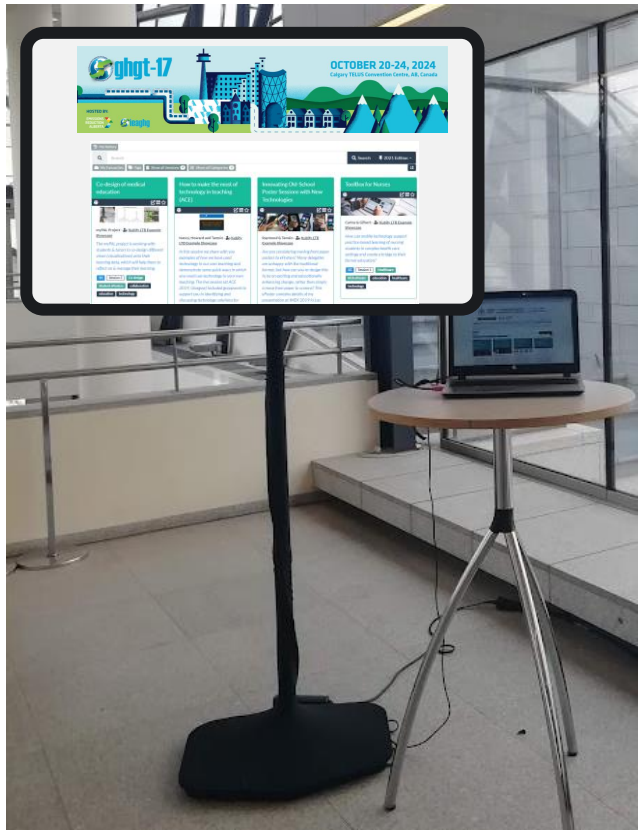
Presenting your ePoster

- ePoster presentations will take place **at the ePoster screens.**
- The presentations are scheduled for the **Tuesday** and **Wednesday**.
- You will have **10 minutes** to present.
- You must stick to your **scheduled time slot**.



Presenting your ePoster

- The screens will be in **landscape orientation**.
- The screens will be connected to the ePoster showcase.
- You can open your ePoster and show anything you have included in your ePoster stack.
- **Further information** will be sent closer to the conference.



Learning Toolbox

for ePosters

Creating your ePoster/stack

created by Kubify

Activating your invite link & creating your account

Dear Tamsin Treasure-Jones,

Congratulations on having your ePoster accepted for Conference!

Your ePoster title

Conference is using a new and interactive approach to the posters, based around the use of the Learning Toolbox platform.

Learning Toolbox allows you to create and arrange a collection of material (we call it a Stack) that can be used to present and share your work. At the simplest level you can just add a presentation to your Stack, but the platform allows you to do much more.

The **first** thing that you need to do is to follow the steps below to activate your invite and set-up your Learning Toolbox author account.

CLICK ON THIS INVITE LINK: https://api.ltb.io/join/i+ABLKM AND THEN

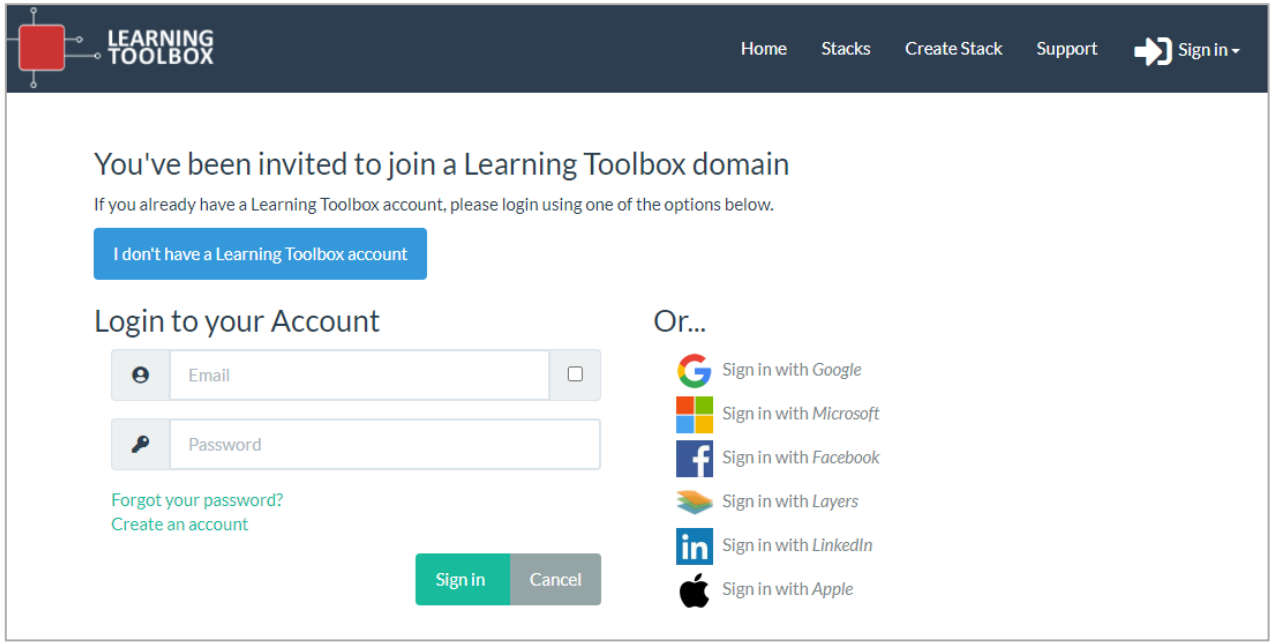
Sign in with your Learning Toolbox account (if you already have one)

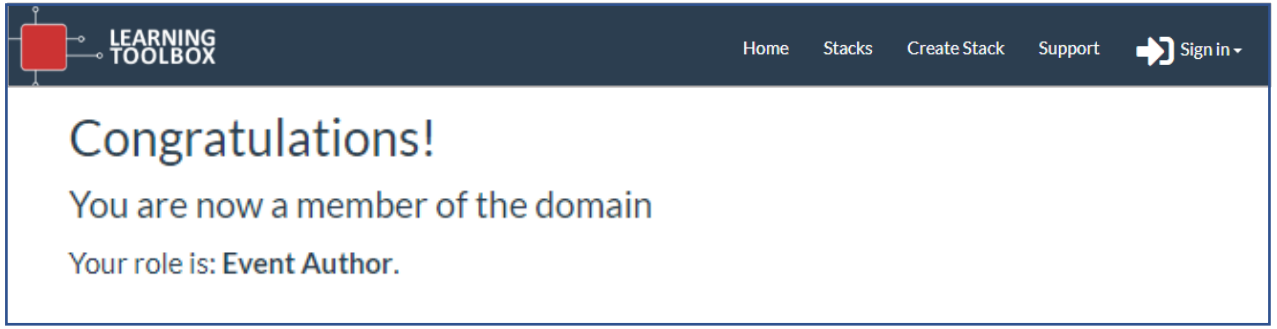
OR

Sign in with any of the listed social media accounts

OR

Create your own Learning Toolbox account. Click on "I don't have a Learning Toolbox account" and follow the instructions. You will be sent a validation email within a few minutes (check your spam or junk folder if you do not receive it)





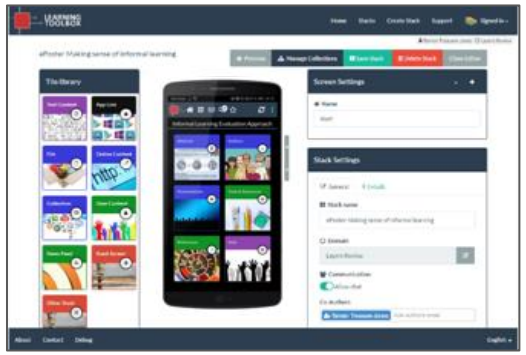
Creating your ePoster/stack

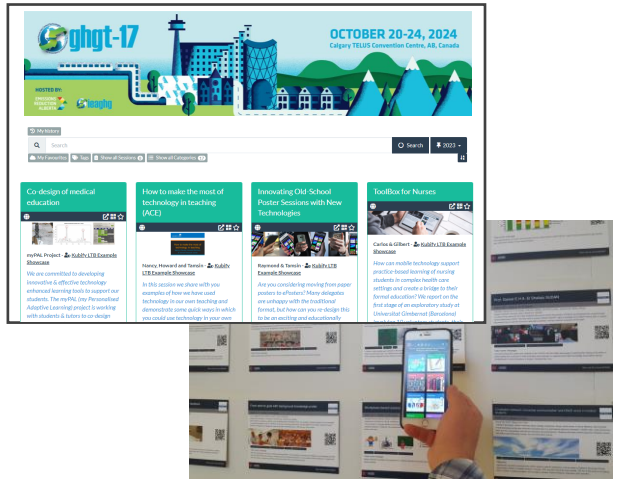
Sign in to Learning Toolbox using the account you created.

https://my.ltb.io

Key steps

Consider what content (presentations, videos, weblinks, documents) you have which presents and explains your work well. Gather that content together ready to include in your ePoster/stack.





1

Activate your **invite link** and **create your account**

2

Sign-in to [my.ltb.io](my.ltb.io) and **create** your **ePoster/stack**

3

Preview and check your ePoster then **mark it as ready**

4

We will publish your ePoster & print your mini-poster so that delegates can access it

support@stack.services

Support – tailored emails

This is an opportunity to create a great resource that you can use to showcase your work both at Future Physiology 2020 and beyond. We're really looking forward to seeing what you create!

Getting Started

Earlier today you should have received an invitation email from Learning Toolbox. **Please click on the invitation link in that email** as soon as possible. If you did not get that email then please check your spam/junk/clutter email folders in case it has been filed in there. If you are presenting multiple ePosters then you will have received multiple invitation emails. You should click on and follow the link in each email to activate that invite.

If you will not be creating the ePoster/Stack yourself for an accepted abstract then please forward that invitation email and this welcome email onto your co-author who will be making the ePoster/Stack. Please also ask your co-author to email us (support@stack.services) so that we can add them to this support mailing list.

Webinar recording now online

Thank you to everyone who took part in the ePosters @ AMEE 2019 webinar on 6th June. It was great to meet you all!

The recording of the webinar and a copy of the presentation used is now available on the ePosters support page.

The webinar covers the same topics as questions 1-3 on the support page, as well as introducing the important dates for AMEE. You can also find the **important dates** listed on the support page.

Please remember that you need to set up a Learning Toolbox account by clicking on the invite link in the welcome email you were sent, before you start to make your own ePoster.

We hope you find the webinar and other support videos useful and enjoy creating your own ePosters. Please do contact us if you have any questions.

ePosters beyond the Showcase

Thank you to everyone for creating such great ePosters for the Dentistry Academy of Distinguished Educators Showcase 2020. We were very impressed by your creative designs and we hope you will continue to use your ePosters to share and discuss your work after the conference.

Your ePoster beyond the conference

You can continue to use your ePoster after the conference to give others a rich overview of your work. You can even edit and update it, if the discussions at the conference led to new ideas for what to include. Alternatively if you do not want your ePoster to be viewable after the Showcase then you can simply change the access permissions and make it private again.

You might find these FAQ answers helpful:

- How do I favourite my ePoster in the app for easy access
- How can I share my ePoster - face to face
- How can I share my ePoster - from my computer
- How can I download my mini-poster for printing
- How can I change access permissions on my ePoster

If you have any questions for us about this or any other aspect of continuing to use your ePosters then do email us at support@stack.services

We hope you enjoyed creating and exploring the ePosters.

Providing regular guidance & reminders

Support – onsite helpdesk

Support will be available onsite for authors and delegates

Deadline

- **1st October** Finalise your ePoster/Stack and mark as ready

Activating your invite link & creating your account

Learning Toolbox 10:55 AM (0 minutes ago)
to tamsin+demo

Dear Tamsin Treasure-Jones,

Congratulations on having your ePoster accepted for Conference name

Co-designing technology to support student learning

We're delighted that AMEE 2021 is again using Learning Toolbox for the conference ePosters.

Learning Toolbox allows you to create a collection of material (we call it a Stack) that can be used to present and share your work. At the simplest level you can just add a presentation to your Stack, but the platform allows you to do much more.

The **first** thing that you need to do is to follow the steps below to set-up your Learning Toolbox author account.

CLICK ON THIS INVITE LINK: https://api.ltb.io/show/i+ABISC **AND THEN**

Sign in with your Learning Toolbox account (if you already have one)
OR
Sign in with any of the listed social media accounts (if you choose to do this then this is the account you should always use when signing into Learning Toolbox)
OR
Create your own Learning Toolbox account. Click on "I don't have a Learning Toolbox account" and follow the instructions. You will be sent a validation email within a few minutes (check your spam or junk folder if you do not receive it)

We will send a separate email to you very soon including details of how the ePosters will work at AMEE 2021 and the support available to help you get started.

We hope you enjoy creating your ePoster and we look forward to seeing your work presented at AMEE 2021.

Best wishes,

Tamsin, Roxy, Gilbert, Joseph and Raymond

The AMEE 2021 ePoster Team
