

Learning Toolbox

for ePosters at WGC2026

What we will cover today

- How Kubify's Learning Toolbox is being used for the WGC ePosters
- What is different about a Learning Toolbox ePoster stack
- Creating an ePoster stack
- Further support available
- Deadline date
- Anything else?

What is different about a Learning Toolbox ePoster?

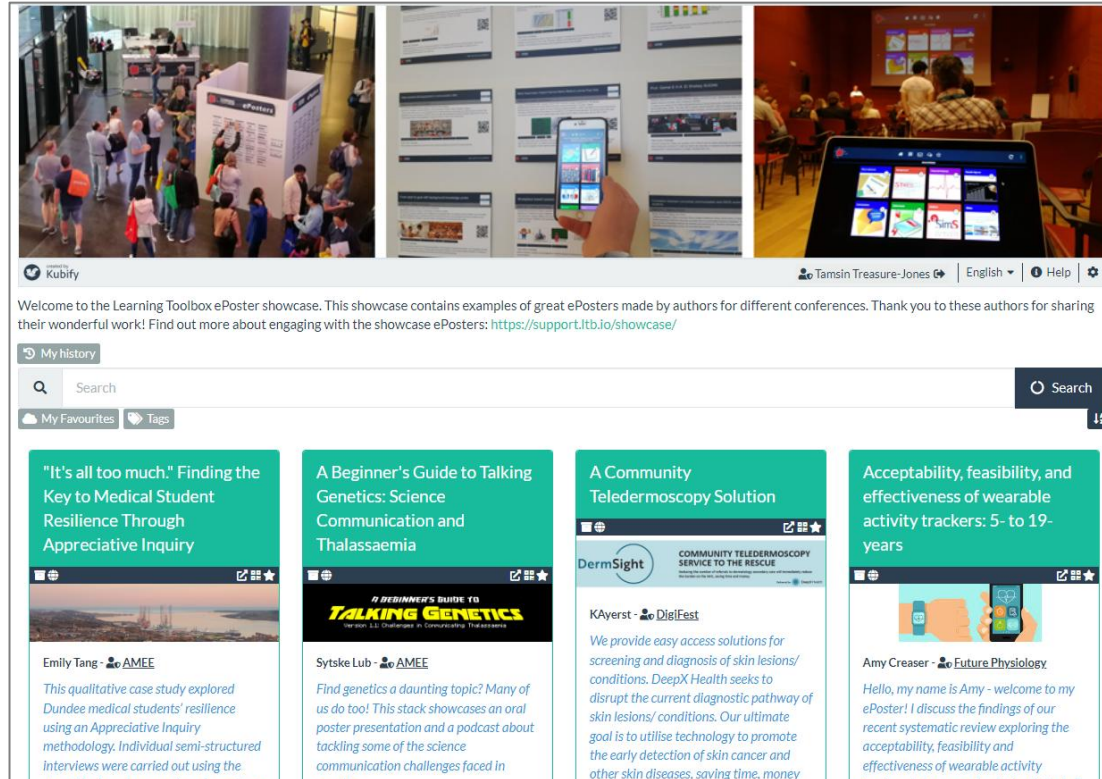

You can add more than just one file or resource.

Learning Toolbox allows you to create a *collection* of materials (a *stack*) to present to and share your work.

What can you include?

Let's look at some existing ePoster stacks

Welcome to the Learning Toolbox ePoster showcase. This showcase contains examples of great ePosters made by authors for different conferences. Thank you to these authors for sharing their wonderful work! Find out more about engaging with the showcase ePosters: <https://support.ltb.io/showcase/>

Connecting with your viewers – Chat

Your ePoster stack has its own chat channel.

Viewers of your ePoster stack (and you) will be able to view and engage with this text chat.

Presenting your ePoster

- We are expecting there to be scheduled ePoster presentation sessions during the conference.
- We are waiting to hear the details of the dates and timings from the conference committee.
- **Further information** will be sent to you as soon as we have it.

Presenting your ePoster – what we expect

- ePoster presentations will take place **at the ePoster screens.**
- The screens will be in **portrait orientation.**
- The screens will be connected to the ePoster showcase.
- You will be able to open your ePoster and show anything you have included in your ePoster stack.

Learning Toolbox

for ePosters

Creating your ePoster stack

Activating your invite link & creating your account

Dear Tamsin Treasure-Jones,

Congratulations on having your ePoster accepted for Conference!

Your ePoster title

Conference is using a new and interactive approach to the posters, based around the use of the Learning Toolbox platform.

Learning Toolbox allows you to create and arrange a collection of material (we call it a Stack) that can be used to present and share your work. At the simplest level you can just add a presentation to your Stack, but the platform allows you to do much more.

The **first** thing that you need to do is to follow the steps below to activate your invite and set-up your Learning Toolbox author account.

CLICK ON THIS INVITE LINK: <https://api.ltb.io/join/i+ABLKM> AND THEN

Sign in with your Learning Toolbox account (if you already have one)

OR

Sign in with any of the listed social media accounts

OR

Create your own Learning Toolbox account. Click on "I don't have a Learning Toolbox account" and follow the instructions. You will be sent a validation email within a few minutes (check your spam or junk folder if you do not receive it)

You are now a member of the domain

Your role is: **Event Author.**

Creating your ePoster stack

Sign in to Learning Toolbox using the account you created.

The screenshot shows the Learning Toolbox website homepage. The navigation bar at the top includes links for Home, Stacks, Create Stack, and Support, along with a 'Sign in' button with a right-pointing arrow, which is circled in orange. The main content area features a 'Welcome to Learning Toolbox' heading, a brief description of the platform, and two main sections: 'Events and Conferences' and 'Education and Training'. Each section includes a circular collage of images and a short paragraph describing its use. At the bottom, there is a definition for the word 'stack'.

LEARNING TOOLBOX

Home Stacks Create Stack Support Sign in

Welcome to Learning Toolbox

Learning Toolbox (LTB) is a software platform that allows people to quickly and easily build their own stacks of interactive and multimedia material and share them with others. LTB is being used in two main contexts:

Events and Conferences

as an ePoster platform and also as a way for speakers and attendees to easily share their work and build connections.

Education and Training

as a tool to support work-based learning (project and portfolio work) and as a way of easily sharing learning resources with others.

stack (stāk) n.
1. An orderly collection of multimedia and interactive resources, especially one arranged in layers and responsive to mobile devices. Synonyms: ePoster, ePresentation, Research Calling Card, Learning Resource.

<https://my.ltb.io>

Key steps

Consider what content (presentations, videos, weblinks, documents) you have which presents and explains your work well. Gather that content together ready to include in your ePoster stack.

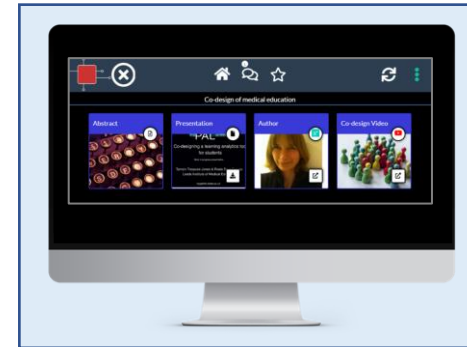

1

Activate your **invite link** and **create your account**

2

Sign-in to my.ltb.io and **create your ePoster stack**

3

Preview and check your ePoster stack then **mark it as ready**

4

We will publish your ePoster stack to the showcase so that delegates can access it

support@kubify.co

Support – tailored emails

This is an opportunity to create a great resource that you can use to showcase your work both at Future Physiology 2020 and beyond. We're really looking forward to seeing what you create!

Getting Started

Earlier today you should have received an invitation email from Learning Toolbox. **Please click on the invitation link in that email** as soon as possible. If you did not get that email then please check your spam/junk/clutter email folders in case it has been filed in there. If you are presenting multiple ePosters then you will have received multiple invitation emails. You should click on and follow the link in each email to activate that invite.

If you will not be creating the ePoster/Stack yourself for an accepted abstract then please forward that invitation email and this welcome email onto your co-author who will be making the ePoster/Stack. Please also ask your co-author to email us (support@stack.services) so that we can add them to this support mailing list.

Webinar recording now online

Thank you to everyone who took part in the ePosters @ AMEE 2019 webinar on 6th June. It was great to meet you all!

The recording of the webinar and a copy of the presentation used is now available on the [ePosters support page](#).

The webinar covers the same topics as questions 1-3 on the support page, as well as introducing the important dates for AMEE. You can also find the **important dates** listed on the support page.

Please remember that you need to set up a Learning Toolbox account by clicking on the invite link in the welcome email you were sent, before you start to make your own ePoster.

We hope you find the webinar and other support videos useful and enjoy creating your own ePosters. Please do contact us if you have any questions.

ePosters beyond the Showcase

Thank you to everyone for creating such great ePosters for the [Dentistry Academy of Distinguished Educators Showcase 2020](#). We were very impressed by your creative designs and we hope you will continue to use your ePosters to share and discuss your work after the conference.

Your ePoster beyond the conference

You can continue to use your ePoster after the conference to give others a rich overview of your work. You can even edit and update it, if the discussions at the conference led to new ideas for what to include. Alternatively if you do not want your ePoster to be viewable after the Showcase then you can simply change the access permissions and make it private again.

You might find these FAQ answers helpful:

- [How do I favourite my ePoster in the app for easy access](#)
- [How can I share my ePoster - face to face](#)
- [How can I share my ePoster - from my computer](#)
- [How can I download my mini-poster for printing](#)
- [How can I change access permissions on my ePoster](#)

If you have any questions for us about this or any other aspect of continuing to use your ePosters then do email us at support@stack.services

We hope you enjoyed creating and exploring the ePosters.

Quick summary – next steps

Activating your invite link & creating your account

Learning Toolbox
to tamsin+demo ▾ 10:55 AM (0 minutes ago) ☆ ↶ ⋮

Dear Tamsin Treasure-Jones,

Congratulations on having your ePoster accepted for Conference name
Co-designing technology to support student learning

We're delighted that AMEE 2021 is again using Learning Toolbox for the conference ePosters.

Learning Toolbox allows you to create a collection of material (we call it a Stack) that can be used to present and share your work. At the simplest level you can just add a presentation to your Stack, but the platform allows you to do much more.

The **first** thing that you need to do is to follow the steps below to set-up your Learning Toolbox author account.

CLICK ON THIS INVITE LINK: <https://api.ltb.io/show/f+ABISC> **AND THEN**

Sign in with your Learning Toolbox account (if you already have one)
OR
Sign in with any of the listed social media accounts (if you choose to do this then this is the account you should always use when signing into Learning Toolbox)
OR
Create your own Learning Toolbox account. Click on "I don't have a Learning Toolbox account" and follow the instructions. You will be sent a validation email within a few minutes (check your spam or junk folder if you do not receive it)

We will send a separate email to you very soon including details of how the ePosters will work at AMEE 2021 and the support available to help you get started.

We hope you enjoy creating your ePoster and we look forward to seeing your work presented at AMEE 2021.

Best wishes,
Tamsin, Roxy, Gilbert, Joseph and Raymond
The AMEE 2021 ePoster Team

LEARNING TOOLBOX Home Stacks Create Stack Support Sign in ▾

Congratulations!

You are now a member of the domain Conference name

Your role is: **Event Author**.

Creating your ePoster/stack

The screenshot shows the Learning Toolbox website interface. The navigation bar at the top includes links for Home, Stacks, Create Stack, Support, and Sign in. The 'Sign in' link is circled in orange and labeled with a '1'. Below the navigation bar, the main content area features a 'Welcome to Learning Toolbox' heading and a brief description of the platform. Two main sections are highlighted: 'Events and Conferences' and 'Education and Training'. The 'Events and Conferences' section is circled in orange and labeled with a '2'. Below these sections, there is a definition for 'stack (stāk) n.' and its synonyms: ePoster, ePresentation, Research Calling Card, Learning Resource.

1. **Sign in** to Learning Toolbox <https://my.ltb.io> using the account you created/used when you activated your invite link.
2. Click on **Create Stack**

The online Learning Toolbox editor

The screenshot shows a web browser window titled "Learning Toolbox" with the URL "my.ltb.io/#/". The main content area is divided into three numbered steps:

- 1**: A "Tile library" panel on the left side of the editor. It contains various content tiles such as "Text Content", "App Link", "File", "Online Content", "Collection", "User Content", "Stack Screen", "Other Stack", "News Feed", and "Twitter Feed". A red arrow points from the "File" tile in this library towards the next step.
- 2**: A preview of a mobile device screen displaying an "Example ePoster". The ePoster has a dark background and a "File" tile is visible on the screen. The red arrow from step 1 points to this "File" tile.
- 3**: A settings panel for the "File" tile. It includes a "Settings" tab and a "Layout" tab. Under "Settings", there is a "Sharing" section with a toggle for "Allow users to download files" which is turned on. Below that is a "Tile title" field with the text "File" and a "Placeholder title" note. There is also a "Hide title" toggle which is turned off. At the bottom, there is an "Add File" button and a dashed box with the text "Drop file here or click to select".

Use the Tile Library to add content to your ePoster/stack.

Remember to Save regularly.
